Thanks so much for getting back to me! Please let me know if I can supply any additional information. Unfortunately I've had to learn the part of the SHC pertaining to BIDs in far, far too much detail.

Hi Ms. Criswell,

I don't want to rush you if you're planning to answer. If you're not, though, I want to write a letter to the Board to ask them to consider this matter. Would you mind letting me know whether or not you plan to answer and, if so, whenabouts you might respond?

Thanks again for your help.
